SELLING PRECIOUS METALS TO MARKET HARMONY LLC

Market Harmony LLC is a licensed precious metal dealer. We purchase precious metal items to be recycled, repurposed, or resold. Our typical clientele are businesses dealing in precious metals. Our rates are also available to individuals submitting material to us through the USPS or our retail location. The options of settlement include company check, wire transfer, PayPal, or .999 fine casting grain. Daily market prices and a scientific analysis of the recovered metal are used to determine the final payout. We are also interested in purchasing your collectible gold and silver coin. Please call for details: 412-468-4653

*****We pay on ALL recoverable precious metals contained in your lot*****

Description of your items	Market Harmony payout

** Gold lots greater than 10 ozt AGW have the option of getting live spot price lock-ins for settlement (call for details)

The LME PM fix price information can be found at: <http://www.kitco.com/market>

"AGW" and "ASW" mean Actual Gold Weight & Actual Silver Weight. This is the amount of recoverable fine gold or silver contained in the lot determined from an assay

We stay in contact with our clients periodically during the processing of lots.

important notes:

- 1 A completed PMDTR form must be submitted before Market Harmony LLC can process any scrap. No exceptions. Download the form at this web address: http://marketharmony.net/uploads/PM_Dealer_Transaction_Record.pdf
- 2 Processing times vary based on quantity and condition of received items. Settlements are typically available within 3 business days from the day of receipt.
- 3 There is a \$1 per item charge for removal and disposal of cement or other filler from weighted items.
- 4 Silver lots containing deleterious material will incur a 1.5% final value fee for additional processing.
- 5 All shipping, handling, and insurance costs are the responsibility of the client
- 6 Lots that are settled in casting grain intended to be recast into Market Harmony products will first be settled for the cash value. This value will then be applied as a credit against a separate invoice for the production fees.
- 7 Rates and conditions are subject to change without notice. Periodic reviews help us to best serve the needs of our clients and we welcome any suggestions for improvement. This form is up-to-date as of: Jan 9, 2012
